

Nr 1

Lagutskottets betänkande med anledning av propositionen 1975:11 med förslag till lag om ändring i lagen (1916:312) angående ansvarighet för skada i följd av automobiltrafik

Propositionen

I propositionen 1975:11 har regeringen (justitiedepartementet) föreslagit riksdagen att anta i propositionen framlagt förslag till lag om ändring i lagen (1916:312) angående ansvarighet för skada i följd av automobiltrafik.

Lagförslaget innebär att ersättning för skada inte skall jämkas på grund av förseelse mot skyldighet att använda skyddshjälm vid färd på motorcykel.

Utskottet

Utskottet, som inte funnit anledning till erinran mot regeringens förslag, hemställer

att riksdagen antar i propositionen 1975:11 framlagt förslag till lag om ändring i lagen (1916:312) angående ansvarighet för skada i följd av automobiltrafik.

Stockholm den 20 februari 1975

På lagutskottets vägnar
IVAN SVANSTRÖM

Närvarande: herrar Svanström (c), Hammarberg (s), Lidgard (m), Sundelin (s), Börjesson i Falköping (c), fru Åsbrink (s), herrar Andersson i Södertälje (s), Torwald (c), Olsson i Timrå (s), Winberg (m), fru Nilsson i Sunne (s), herr Olsson i Sundsvall (c), fru Fredgardh (c), herrar Henmark (fp) och Lövenborg (vpk).

1975

1. The first part of the report deals with the general situation in the country and the results of the survey. It is found that the majority of the respondents are satisfied with the present situation, but there are some concerns regarding the future.

2. The second part of the report deals with the results of the survey on the different aspects of the situation.

3. The third part of the report deals with the results of the survey on the different aspects of the situation. It is found that the majority of the respondents are satisfied with the present situation, but there are some concerns regarding the future.

4. The fourth part of the report deals with the results of the survey on the different aspects of the situation.

5. The fifth part of the report deals with the results of the survey on the different aspects of the situation. It is found that the majority of the respondents are satisfied with the present situation, but there are some concerns regarding the future.

6. The sixth part of the report deals with the results of the survey on the different aspects of the situation.

7. The seventh part of the report deals with the results of the survey on the different aspects of the situation.

8. The eighth part of the report deals with the results of the survey on the different aspects of the situation. It is found that the majority of the respondents are satisfied with the present situation, but there are some concerns regarding the future.
