Propositionen

I propositionen 1973:152 har Kungl. Maj:t (justitiedepartementet) föreslagit riksdagen att antaga framlagt förslag till lag om ändring i lagen (1970:995) om införande av nya jordabalken.

Lagförslaget innebär att rättsinstitutet ofri tomt i stad avvecklas under en viss övergångstid genom att markägarens rätt att vid överlåtelse av besittningsrätten lösa tomten avskaffas. Enligt förslaget skall vidare äganderätten till marken utan ersättning övergå till tomtens innehavare, när lösningsrätten upphör.
